The following is the formal Policy Statement of Jones Waste Services Limited, which confirms the importance to which the Company attaches to the safety of its employees the general public and its local neighbours to the nature of the operations carried out.

The Company recognises that it is one of its prime responsibilities, as far as is reasonably practicable, to provide facilities, safeguards and methods of working which if properly used by employees and other authorised persons on the premises, will be conducive to their health and safety.

It is the Companys intention as far as is reasonably practicable to design, construct, maintain and operate all plant facilities and to control the use of materials in such a manner as to prevent harm to their employees, the general public and the environment

The Managing Director has the responsibility for implementing this policy and he will ensure that health and safety considerations are always given priority in planning and day to day supervision at work.

All employees are expected to co-operate with the Company in carrying out this Policy and must ensure that their own work so far as is reasonably practicable is carried out without risk to themselves or others.

Mr. A. V. Jones has particular responsibility for health, safety, and welfare and the operation of this Policy will be monitored by him.
